**CITY OF HAYWARD  
GROSS HOUSEHOLD INCOME GUIDELINES**

Instructions:

1. Source documentation must be on file in order to determine that a household is low-income. Household size must be determined and tax documents must be submitted and retained in the client file.
2. Look down the left-hand column and pick the row which reflects the number of people living in the household.
3. Circle the income amount that the gross annual household income does not exceed.
4. Document the income level (i.e. extremely-low, very-low, or low) in the client file and applicable reporting records.
